Campus Peace Clubs

OUR GOAL

- Establish five Peace Clubs on college campuses between now and 2019 to help students practice peace within themselves and with one another in daily life.

- Create a network of these Peace Clubs that can act as a support system while the Peace Clubs are in their beginning stages and help create a model.

WHO IS LFFP?

Little Friends For Peace (LFFP)'s mission is to counter violence and contribute to a worldwide culture of peace by sharing skills for conflict resolution and transformation with individuals, homes, teams, and communities.

LFFP's vision is the Beloved Community, a world where relationships are based on respect and acceptance, conflicts end in reconciliation, and everyone is safe, cared for and able to realize their unique potential.
### WHY DO WE NEED CAMPUS PEACE CLUBS?

College students are exposed to pervasive violence today, through their families and communities, technology, gaming and social media and this culture of violence spills over into our schools. Levels of anxiety, depression, incidents of suicide, and campus violence are reaching unprecedented levels. Campus health, counseling clinics, and campus administration are not equipped to support students facing this endemic culture of violence and college students themselves lack the social and emotional learning (SEL) skills to cope on their own.

### JOIN OUR PEACE CLUB NETWORK!

We are inviting you to be a part of this inaugural group of peace clubs by being a founding member of a peace club on your campus. This peace club will be student-run and will be responsible for holding regular Peace Circles to help people connect with one another, centered around core values and practices that build community.

### YOUR ROLE

- Create campus organization
- Secure funding from your school
- Run regular peace circles in your campus community
- Fundraise for summer peace camp scholarships

### OUR ROLE

- Provide free training during the club's first year
- Form a network of peace clubs and host annual meetings of all clubs
- Campus site visits to help set-up and facilitate circles during the first year
- Provide access to LFFP peace curriculum resources
